PROOF

This proof is presented on proofing material and is not intended to show the ink and substrate to be used in the finished job.

Date Dec 9, 2024

Customer Signature

- ☒ OK to Print
- ☐ OK to Print with indicated changes
- ☐ Make indicated changes and submit new proof.

If proof is correct as submitted, please mark "OK to Print", sign and date.
If corrections/revisions are required, please mark "OK to Print with indicated changes", sign and date.
If there are changes and a new proof is required prior to giving approval, please mark "Make indicated changes and submit new proof", sign and date.

Please return this Proof via an Overnight Service to prevent any production delays. This production order is on a **HOLD** status until we receive this signed Proof. If any questions, please call your account representative.

We will call to your attention any discrepancies that we discover prior to production, but we cannot assume liability for errors present on a Proof that were not marked for changes.

If the original copy is changed after Proof is submitted an alteration charge may be added to the price of the order.

PLEASE READ PROOF CAREFULLY
