ACCUTROL

www.accutrolllc.com

- Low-pressure drop
- Highly accurate airflow control with the 2008 AHR Innovation Award recipient AccuValve.
- Highly sought after closed-loop control for labs, clean rooms, and hospitals.

HEATING COOLING & DEHUMIDIFICATION

www.addison-hvac.com

- 100% Outside Air Packaged Rooftop Units
- Geothermal Water Source Heat Pumps
- High Efficiency Water-to-Water Heat Pumps
- Split Systems– Outdoor Condensing Units
- High Efficiency Air Handling Units
- Multi-Function Rooftop Air Handling Units

ADVANTIX

www.advantixsystems.com

- Leading manufacturer of energy efficient technology that delivers energy savings of 30 to 80 percent in commercial and industrial applications.
- A pioneer in harnessing liquid desiccant
- Advantix's clean tech air conditioning and dehumidification systems deliver cooling with powerful, precise humidity control, substantial energy savings and cleaner air free of bacteria and mold. With competitive first costs in both new and retrofit applications, Advantix offers compelling econom-

AIR HANDLERS & FAN COILS

www.ae-air.com

- Horizontal/Vertical Belt Drives
- Ceiling Fan Coil Units
- Direct Drive Air Handlers
- Floor Console Units

AC & HEATING SYSTEMS FOR SCHOOLS

www.airedale.com

- Vertical classroom unit ventilators
- Self-contained air-to-air heat pump unit ventilators
- Ductless split systems
- Wall fin, convectors, unit heaters

VENTILATION SOLUTIONS

- Commercial Cube Units
- Commercial Wheel Units
- Light Commercial

HEAT EXCHANGERS

- Plate and Frame Heat Exchangers
- Brazed Plate
- Sanitary

ENERGY RECOVERY UNITS (Reverse Flow Systems)

www.reverse-flow.com

- Industrial/Commercial Applications
- Air to Air Energy Recovery
- Guaranteed Energy Efficiency 90% Winter, 80% Summer
- Sales, Service and Design

GAS FIRED AIR HANDLERS

- Manufacture, Design, and Distribution of high-end HVAC equipment
- Direct Gas-Fired, Indirect Gas-Fired and Electric Air Heaters
- Heat Recovery, Cooling, Filtration, Heating and Humidification options available on all Air Handlers
- Duct Heaters
- Customized Ventilation Systems

DESICCANT DEHUMIDIFICATION

www.bryair.com

- Desiccant Dehumidification
- 100-100,000 CFM
- Custom Application Designs

CANCOIL

www.can-coil.com

- Canadian manufactured custom and catalog air-cooled condensers, condensing units, fluid coolers, compressor units and coils.

GAS FIRED COPPER TUBE BOILERS

www.camus-hydronics.com

- Residential/Commercial/Industrial Applications
- Efficiencies ranging from 83% - 95%
- Made in Canada

HYBRID HEAT PUMP SYSTEMS

www.cgc-group.com

- Heat Recovery
- Free Heat
- Reduced Building Energy Consumption
- Geothermal

HEAT RECOVERY VENTILATORS & ENERGY CONSERVING AIR HANDLERS

www.cleanairdesigns.com

- Air to Air Heat Exchanger Air Handlers
- Heat Pipe and Heat Wheel Air Handlers
- Catalogue units to 12,000 CFM
- Custom Controls and Configurations

CUSTOM COIL MANUFACTURING

www.colmaccoil.com

- Air-cooled fluid coolers
- Replacement Custom Coil Designs
- Copper, Aluminum, Steel & Stainless Steel Fins & Tubes
- Commercial, Institutional & Industrial Construction
- Corrosion Resistant Coating Options
- High Temperature heat pumps

ACTIVE CHILLED BEAMS

www.dadanco.com

- Lower energy consumption
- Improved comfort
- Space Savings
- Cost Considerations
- Low noise levels

Your Single Source Solutions Provider

COMPUTER ROOM AC

www.dataaire.com

- Floor mounted & ceiling mounted units
- Heat exchangers
- Computer room cooling units—water cooled, remote-air cooled, remote glycol cooled

DEHUMIDIFIERS

www.desert-aire.com

- Refrigerant Dehumidifiers
- Heat Recovery Options
- Hydronic, Gas or Electric Reheat
- Swimming Pools, Ice Rinks, Water Treatment Plants
- 100% Outdoor Air Systems, Low Temperature Applications
- Industrial & Commercial Designs

DISTECH CONTROLS

www.distech-controls.com

- Suitable for small to large buildings
- Fully scalable and interpretable into Tracer Summit
- Competitive controls for field mounted systems
- Full line of programmable & configurable controllers
- Simple user interface and information gathering
- Open systems (Lon Talk & BACnet listed), Internet enabled

DEHUMIDIFIERS

www.dristeem.com

- Electrode Type Steam Generating
- Electric Element Steam Type
- Gas Fired, Direct/Indirect Steam
- Microprocessor Controllers

AIR CLEANING TECHNOLOGY

www.dynamicaqs.com

- Patented Design—No Ozone
- Effectively Controls Sub-micron Particles & Odors
- Fits Standard 1" or 2" Filter Rack
- Germicidal Units—Room or Duck Mounted
- Made in Canada
- V8 air cleaner, Merv 13 rated, high dust holding capacity at low APD

GUNTNER

www.guentner.com

- High-efficiency air-cooled condensers, fluid coolers, adiabatic fluid coolers and dry coolers

Your Single Source Solutions Provider

SPECIALTY AIR CONDITIONING

www.friedrich.com

- Vertical Hi-Rise AC Units
- Packaged AC Units
- Mini-Splits
- Ideal for motels, hotels, and condominiums
- VertiPak vertical ducted PTAC's

CUSTOM AIR HANDLING UNITS

www.haakon.com

- Commercial, Institutional, and Industrial Construction
- Engineered to your specific requirements
- Complete Mechanical Room Packages
- Clean Rooms, Pharmaceuticals, Pulp & Paper

FLUID CONTROL

www.haysfluidcontrols.com

- Stainless Steel Hose Kits
- Coil Piping Packages for fan coils, VAV boxes, and Air Handlers
- Auto-flow valves

INDUSTRIAL UNIT HEATING

www.hazlocheaters.com

- Industrial and explosion –proof unit heaters for hazardous and severe duty location
- Stream unit heaters, hydronic unit heaters
- Explosion proof designs
- Manufactured in Canada

ELECTRICAL HEATING EQUIPMENT

YOUR SOURCE FOR ELECTRIC HEAT

www.indeeco.com

- Hazardous Environment Heaters
- Process Air Heaters
- Unit Heaters
- Storage Heaters
- Immersion & Circulation Heaters
- Heat Transfer Systems
- Sales/Parts/Design

INGERSOLL RAND

www.ingersollrandhvac.com

- Residential and light commercial furnaces and split systems

Your Single Source Solutions Provider

HEATING, AIR CONDITIONING, & VENTILATION

www.kampmann.co.uk/

- Trench Heating
- High-Output Heaters
- Radiant Ceiling panels
- Unit Heaters
- Air Handling Units
- Chilled Water Air Conditioning Units

HYDRONIC & DX AIR SUPPLY PRODUCTS

www.magicaire.com

- Unitary/Residential, Vertical, Horizontal, Enclosed blower, Uncased blower, and Console fan coil Direct Drive Products
- Horizontal, Vertical, Modular and Rooftop Air Handling Unit Belt Drive Products

EVAPORATIVE COOLING TOWERS & FLUID COOLERS

www.spxcooling.com

- HVAC, Industrial, Power
- Factory Assembled & Field Erected
- Galvanized, Stainless Steel, Fiberglass, Treated Lumber
- Rebuilds & Turnkey Replacements

HEAT PUMP/ FREE COOLING CHILLER AND PUMP STATIONS

Engineered cooling solutions for all applications

www.motivaircorp.com

- Air & Water cooled Chillers
- Cooling Systems
- Pump Stations

VARIABLE WATER VOLUME AC SYSTEMS

www.multiaqua.com

- Air-Cooled Chillers
- Wall mounted Water Fan Coils
- DX Fan Coils and Heat Pumps

MODULAR WATER CHILLERS

www.multistack.com

- Ideal for Retrofit
- Packed Stock for Immediate Delivery
- Air, Water or Evaporative Cooled
- Recip, Scroll, Screw and Turbocor Compressors
- Aerothermal, Heat Recovery, VME

Your Single Source Solutions Provider

SOLAR HEATING & DESIGN

www.oventrop-na.com

- Energy efficient Hydronic Heating & cooling
- Domestic hot water
- Solar Thermal Collectors

COOLING TOWER FILTRATION

www.pepfilters.com

- Automated self-cleaning filters for cooling tower's

EVAPORATIVE FLUID COOLERS & CONDENSERS

www.recold.com

- Induced & Forced Draft Evaporative Coolers
- Evaporative Condensers, Fluid Coolers & Cooling Towers
- Copper Tube Coils, Galvanized or Stainless Steel Casings

ENERGY RECOVERY VENTILATION

www.renewaire.com

- Lossnay core with latent energy transfer
- Low air pressure drop
- AHRI approved data

VRF/MINI SPLITS

www.samsung.com

- Computer or data room applications
- Suitable for both commercial & residential spaces
- Slim line design for indoor & outdoor units
- Digital variable multi-variable refrigerant flow systems
- Available as heat pump or recovery type

RADIANT HEATING

www.sigmaproducts.com

- Convactor, Fin Tube, Force Flow, Unit Heater and wall fin heaters
- Linear & Modular Radiant Panel's
- Heat Pumps

MINE VENTILATION FANS

www.spendrupfanco.com

- Heavy Duty Industrial Design for Mine Service
- Axial Fan from Ø8 inches to Ø16 feet (20 to 366 cm)
- Horsepower ranges from 1 to 5000 HP
- Pressure 0" to 30" WG (0 to 7.47 kPa)
- Volume 0 to 1,200,000 cfm (0 to 33,980 m3/m)

LAB AND FUMEHOOD CONTROLS

www.tek-air.com

- Laboratory and Fume hood air valves and control systems
- Factory Mounted Controls

HI-RISE FAN COIL UNITS

www.temspec.com

- Hotel, Condominium, Student Residences
- 2 Pipe or 4 Pipe
- 350-1200 CFM
- Made in Canada

CHILLED WATER (INDUSTRIAL , COMMERCIAL APPLICATIONS)

www.thermalcare.com

- Portable chillers—Lab Applications
- Air Cooled Heat Reclaim
- FRP Coiling Towers
- Water Treatment
- Pump/Reservoir Assembly

ABSORPTION CHILLERS

www.thermax-usa.com/

- Single and two-stage absorbers from 10-2000 tons
- Single stage steam machines above 1,350 tons
- Single stage hot water machines from 10-80 tons

LIGHT COMMERCIAL HVAC

www.titanhvac.ca

- Air Conditioning Systems
- Heat Pump Systems
- High Efficiency Gas Furnace
- Air Handlers
- Coils
- Indoor Air Quality

COMPLETE HVAC SYSTEMS

www.trane.com

- Liquid Chillers
- Self Contained & Split System Air Conditioning Units
- Air Handling Units
- Terminal Units—Fan coils, VAV boxes, Force Flows
- Coils
- Unit Heaters—Hydronic, Electric, Gas
- Water Source Heat Pumps

BUILDING AUTOMATION SYSTEMS

www.trane.com/commercial/equipment/controls.asp

- Trane “Integrated Comfort Systems”
- Full Product Line designed for all Applications: Trane and Non-Trane
- Engineering, installation and Commissioning
- Factory mounted and programmed controls or prepackaged solutions (PPS)
- Open systems (Lon Talk and BACnet listed), Internet enabled

VARIABLE FREQUENCY DRIVES

- Suitable for new and retrofit projects
- Open standard protocols: BACnet™, LonWorks™, and Modbus™
- Trane TR200

AIR PURIFICATION EQUIPMENT

www.unisorb.ca

- Dry Scrubbers for Corrosion and Odor Control
- Replacement Chemical Filter Media
- Custom Designs
- Maintenance, Testing & Corrosion Monitoring Programs
- Made in Canada

Your Single Source Solutions Provider

FLEXIBLE AC SYSTEMS FOR UNIQUE APPLICATIONS

www.unitedcoolair.com

- Modular All-Indoor HVAC Systems, 1 to 70 Ton Capacities
- Horizontal & Vertical Configurations
- Air, Water, CW & Heat Pump Models
- VAV & 19% OA Systems
- Low Installed Cost Retrofit Solutions

AIR POLLUTION CONTROL

www.verantis.com

- Wet scrubbers for Pollution Control
- Noxious gases, Corrosive Particulates, Air borne aerosol & gases
- Chlorine Spills
- Solvent Recovery
- Odor Control
- Fans—FRP Constructed Fans
