

TRANE®

*Trane Northwest
Represented Products*

Trane Northwest Represented Products

Addison

www.addison-hvac.com

Specializes in Semi-Custom Rooftop AHU-100% O/A, Heat Pumps, Geothermal and Split Systems.

Camus

www.camus-hydraulics.com

Specializes in gas fired copper tube and fully stainless steel condensing boilers from 83 to 95% efficiency. Made in Canada.

AE Air

www.ae-air.com

Manufactures a complete line of hydronic & DX fan coils – vertical, horizontal, vertical stack, belt drive and ECM fans.

CGC

www.cgc-group.com

Provider of hybrid heat pump systems featuring heat recovery, free heat and geothermal to reduce energy consumption.

Airedale

www.airedale.com

Offering vertical classroom unit ventilators, self-contained air-to-air heat pump unit ventilators, ductless split systems and wall fin, convectors, and unit heaters.

Dadanco

www.dadanco.com

Provider of active chilled beams and single source solutions.

Aldes

www.aldes.com

Provides ventilation solutions, commercial cube units, wheel units and light commercial products.

Data Aire

www.dataaire.com

Specialize in computer room AC offering floor and ceiling mounted units, heat exchangers and computer room cooling units.

APV

www.apv.com

Experts in heat exchangers offering plate and frame exchangers, brazed plate and sanitary units.

Desert Aire

www.desert-aire.com

Manufacturer of refrigerant-based dehumidifiers for ice-rinks and pools, 100% dedicated outdoor air units, and GrowAire system for indoor growing facilities.

BKM

www.reverse-flow.com

Provider of energy recovery units specializing in air to air recovery with guaranteed efficiency of 90% Winter: 80% Summer.

Dristeem

www.dristeem.com

The humidification experts offering electrode type steam generating, electric element steam type and gas fired steam.

Bousquet

www.bousquet.ca

Gas fired air handlers offering customized ventilation systems with heat recovery, cooling, filtration and humidification on all air handlers.

Dynamic

www.dynamicaqs.com

Manufacturer of air cleaning technology effectively controlling sub-micron particles and odours.

Cancoil

www.can-coil.com

Offering custom and catalog air-cooled condensers, condensing units, fluid coolers, compressor units and coils.

Fraccaro

www.fraccaro.it

Radiant heating and cooling ceilings. Metal Ceilings or above Gyproc (plasterboard).

**Friedrich**

www.friedrich.com

Experts in specialty AC ideal for motels, hotels and condos. Friedrich offer vertical hi-rise AC units, packaged units, mini-splits and vertical ducted PTAC's.

**Multistack**

www.multistack.com

Specialize in modular water chillers ideal for retrofit and critical systems, offering packed stock for immediate delivery.

**Güntner**

www.guntner.com

Manufacturer of adiabatic (evaporative) cooling, condensers, and dry coolers.

**Pep Filters**

www.pepfilters.com

Specializes in cooling tower filtration with self-cleaning filters, centrifugal separators, sweeper jets.

**Haakon**

www.haakon.com

Custom air handling units offering complete mechanical room packages ideal for clean rooms, pharmaceuticals and pulp and paper.

**Samsung**

www.samsung.com

Offer VRF/mini split systems ideal for data room applications, this includes indoor/outdoor units available as heat pump or recovery type.

**Hazloc Heaters**

www.hazlocheaters.com

Offer explosion-proof stream-unit and hydronic-unit heaters ideal for hazardous locations.

**Sigma**

www.sigmaproducts.com

Provider of radiant heating: Convactor, Fin Tube, Force Flow, Unit Heater, wall fin heaters and linear & modular radiant panels.

**Indeeco**

www.indeeco.com

Provide hazardous environment electrical heating equipment such as process/unit/storage heating, immersion and circulation heaters, and heat transfer systems.

**Spendrup Fan**

www.spendrupfanco.com

Dedicated to heavy-duty industrial designs for mine service, offering axial fans from 8" to 16ft, horsepower ranges upto 5000HP and pressure upto 30WG.

**Kampmann**

www.kampmann.co.uk

Offering trench heating, high output heaters, air curtains, unit heaters, radiant ceiling panels, fan coils and chilled water AC units.

**SWEP**

www.swep.net

World-leading supplier of brazed plate heat exchangers that are designed to make the most efficient use of energy, material, and space in HVAC/R & industrial applications.

**Magic Aire**

www.magicaire.com

Specialize in hydronic and DX air supply products offering unitary/residential, vertical, horizontal and console fan coil direct drive products.

**Thermax**

www.thermax-usa.com

COP manufacturers and exporters of absorption chillers with absorbers from 10-3500 tons capacity, driven by steam, hot water, natural gas, fuel oil and/or exhaust gases.

**Marley/Recold**

www.spxcooling.com

Manufacturers of commercial & industrial cooling towers, fluid coolers and evaporative condensers – factory assembled or field erected.

**Thermotech**

www.thermotech-usa.com

Experts in energy recovery, heat wheel, repair and retrofit.

**Motivair**

www.motivaircorp.com

Provide heat-pump/free cooling chillers and pump stations.

**Unisorb**

www.unisorb.ca

Specialists in air and gas purification, corrosion and odour control.

**Multiaqua**

www.multiaqua.com

Offer variable water volume AC systems such as air-cooled chillers, wall-mounted water fan coils, DX fan coils and heat pumps.

**United Cool Air**

www.unitedcoolair.com

AC Systems for unique applications - Modular all-indoor HVAC systems, ranging 1 to 70 ton capabilities, VAV & 19% OA systems and low installed cost retrofit solutions.
